* Please note that the variable tariff rates are not available to new customers and standing charges per month have been rounded to the nearest pence.

Region ID: This is related to your electricity meter and identifies the area you live in. You can find this out by checking the first 2 digits of your electricity meter number - your (MPAN) Meter Point Administration number.

LDZ: This is your Local Distribution Zone, relating to your gas meter and also identifies the area you live in.

Cheaper. Greener. Simpler.
